

The Lucky Friday Mine is a deep underground silver, lead, and zinc mine located one mile east of the town of Mullan in the Coeur d'Alene Mining District in northern Idaho. The Lucky Friday has been owned and operated by Hecla Mining Company, headquartered in Coeur d'Alene, Idaho, since 1958. Established in 1891 in one of the world's most prolific silver-producing districts, northern Idaho's Silver Valley, Hecla Mining Company's rich history of mining has distinguished it as a respected precious metals producer. Hecla is the oldest U.S.-based precious metals mining company and the largest primary producer of silver in the U.S. Headquartered in Coeur d'Alene, Idaho, with a sister office in Vancouver, B.C., our international, publicly traded company is 125 years old.

We are currently recruiting for the following position:

### **MINE ELECTRICIAN**

The Mine Electrician will perform electrical repairs, installations, inspections and preventive maintenance of electrical lines, machinery and equipment throughout the Lucky Friday, both on the surface and underground. Qualifications include a high school diploma or equivalent, journeyman or higher level certification, plus 3-5 years of electrical and instrumentation experience, or an equivalent combination of experience, education, and training.

Hecla Lucky Friday is pleased to offer competitive compensation and a comprehensive benefits program.

Interested candidates must possess current authorization to work in the United States.
